Professional Development Hours Credit Statement for Registrant Records

Many licensure and certification agencies require the demonstration of continuing professional competency. To the best of our knowledge, this meeting meets the continuing education requirements for Professional Development Hour (PDH) units. This form is for your use in maintaining a record of the hours that may qualify as PDHs by attending session(s) at this meeting. Complete this form and retain it. **Please do not return it to the College of Continuing and Professional Studies.**

We recommend that you save the [2023 program](#) for your records should the licensure or certification agency request information from you. Reporting is done on an honor basis, and members are responsible for maintaining their own records. **Please keep this completed form and the program for your records.**

The table below shows the professional development hours (PDH) that can be earned for the continuing education activities included in the **Minnesota Water Resources Conference held at the Saint Paul RiverCentre on October 17-18, 2023.**
