Admissions and Registration Process with DWP Payment

1. Your client contacts Boot Camp Admissions via web, chat, call, or email and connects with an Admissions Representative.

- Your client gathers information about program availability, options, and requirements.

2. Three Step Admissions Process

- Your client fills out an application, takes an aptitude test, and completes an interview.
- If your client successfully completes these steps, they are “Pending Enroll.” CCAPS recommends they seek formal dislocated worker funding approval. There are no “early bird” discounts for third-party funded programs.
- Counselors may contact Lisa Beckham at CCAPS at 612-301-3091 or ccapslisa@umn.edu with any questions about the programs.

3. DWP Payment Communications

- **Client** provides payment documentation to the Boot Camp Admissions Representative.
 1. Client informs admissions of the DWP funding amount, once known.
 2. Client (or you) provides documentation of DWP promise of payment.
 3. Client gets confirmation receipt.
 4. Client confirms that their financial status includes third-party “workforce funding” and not “student pay” (100% student), then signs their financial plan to attend the Boot Camp.
- **DWP Agency** provides UMN-CCAPS billing and registration information.
 1. You provide the billing and registration information to CCAPS via online form (z.umn.edu/ccapspdpreform) **OR** email to ccapsreg@umn.edu:
 - i. a promise of payment or billing contact details
 - ii. the client’s name, email, and phone number
 - iii. the name of the boot camp with start and end dates
 2. CCAPS confirms receipt to both you and the student.
 3. Your billing contact receives an invoice via email in 1–2 weeks.
